Linda,  
Thanks. It's not surprising the OPP comments sound vaguely familiar...

Christine and Jennifer,

Attached is a memo which summarizes comments from OPP on your program's review of the adequacy of Oregon's CZARA Program. In addition, specific comments on the supporting documentation from Mark Dyner of OGC are provided. Thank you for the opportunity to comment and please feel free to contact us with any questions.

Best regards,  
Anita
